

# Hadley Robinson

Great Oaks Milford

## Bio

My name is Hadley Robinson, and I am a junior in the Great Oaks Milford DECA Chapter. I chose to join DECA because I am interested in going into the business field and I aspire to grow my leadership and communication skills to make myself the best I can be. I am a competitive person who has competed at both the state and international levels for DECA. If I were elected as a state officer, I am confident that I would bring a diverse skill set to the table and contribute great ideas to Ohio DECA. I am a proactive person who can identify opportunities and challenges early on. As a state officer, this is the mindset that I would carry with me throughout my term in office.
