

ALEXI MOORE

Great Oaks Harrison High School

BEYOND DECA

Outside of DECA, I participate in many extracurriculars! At school, I am Student Council Treasurer, a member of National Honor Society and Spanish Honor Society, in drama club, and I am on my school's cheerleading squad. Outside of school, I help run a children's performing arts company, and I volunteer in children's ministry at my church.

MY GOALS AS STATE OFFICER

During my time in office, I plan to:

- **Increase DECA Camp Attendance**
 - Advertise camp more to all chapters and strongly encourage students to attend
 - Will increase networking in Ohio DECA
- **Engage Chapters in Community Service Projects**
 - Increase chapter participation in projects
 - Get chapters involved and let them know how they can help
- **Increase DECA One Call Participation**
 - Reach out to chapters and invite their students to join the call
 - More participation in the call will allow us to communicate better and personally engage with members

ABOUT ME:

Hello! My name is Alexi Moore and I am a Junior at Harrison High School. I am a 3rd year DECA member, and I am currently serving my second year as my chapter's Vice President of Public Relations. Throughout the past 3 years, DECA has become a huge part of my life and has caused me to grow in so many ways. This program gave me a new sense of determination, made me more of a leader, and gave me a desire to be successful and help my community. My favorite thing about DECA is meeting new people who share my passion, and I want to make sure everyone in Ohio DECA gets to experience the life-changing opportunities I have received through this amazing program.

DECA EXPERIENCE

The past 3 years, I have participated in many DECA events and conferences that have all helped me grow as a business student. My Freshman year, I attended the Ohio DECA FLC at the Columbus Convention Center, which was my first real "eye-opener" to the DECA world. That same year, my friend and I competed a Community Giving project at state about the organization Soles4Souls and placed 9th in our category. I was also selected to be on chapter's PR team as a freshmen. Sophomore year, I was voted for my chapter's PR officer and competed a Independent Business Plan about my own personal organization, BeKindHarrison, which focused on connecting the community during the pandemic through donations. We made it to finals at State and placed 9th. This past summer before Junior year, I had the amazing opportunity of attending Ohio DECA Camp, and it changed my life and grew my love for the DECA organization so much. I was also voted to be PR officer for my chapter again for my second year, where I have posted Harrison DECA's participation in DECA Month, organized Fall Leadership 2021 that took place at Harrison, and post updates about our chapter and what we are up to.
