

Ohio DECA Team 80

KAYLA MORRIS

Great Oaks:
Harrison High School

INSIDE THE CLASSROOM

Academics have always been a priority to me; I strive to learn all I can and prepare myself for my future. Highlighted in my advanced curriculum are multiple AP classes, Harrison's student news broadcast program, and of course my business class that is DECA!

OUTSIDE THE CLASSROOM

Being involved in activities greater than myself and taking leadership roles within these programs is something I've been greatly blessed with. For the past decade I've been a Harrison cheerleader, now holding the role of co-captain for my varsity team, along with participating in varsity swim and track & field. Being elected to my school's Hope Squad as public relations chair and Student Leadership Council have also been motivating positions for me, as helping my peers in so many ways is an act I take great pride in. In my spare time I also enjoy volunteering and coaching for my school to give back to the programs that give so much to me!

AT A GLANCE:

My name is Kayla Morris, I am 16 years old and currently a sophomore at Harrison High School! This is my second year being part of the DECA program, serving as the Vice President of Public Relations for my chapter, which I served on the leadership team for my freshman year. Since the beginning, DECA has quickly become a priority and passion for me, and I hope to further grow my positive impact with this opportunity.

EXPERIENCE

Over the last 2 years, I've had the privilege of attending a number of DECA leadership conferences and events, most notably the THRIVE International Leadership Conference in Atlanta, GA last spring, District 5's Fall Leadership Conference, DECA Day with the Blue Jackets, and the 2022 New York Experience. Competition wise, I placed 6th at state in the Integrated Marketing Campaign Event category last year as a freshman, and 1st at districts so far this year! In my time as Vice President of Public Relations for my chapter, we've been spotlighted by the state program for usage of social media and highlighted by Deca Inc. as well!

GETTING THE EDGE

With this position, I am offered so many opportunities to make a change in my state and beyond with my goals!
