

CAMRYN MARTIN

MARIEMONT HIGH SCHOOL

BIOGRAPHY

I am a sophomore at Mariemont High School in Cincinnati, Ohio. I have been in this district for my whole life, and I love the community and people. I participate in numerous extracurriculars that I believe truly shape who I am. This was my second year on both varsity cheerleading and softball, I sing in our a cappella group, and I am in Future Leaders of Medicine club, Key Club, Sources of Strength, and student council. Outside of my school, I volunteer at Cincinnati Children's Hospital in the surgery waiting center. I also have been taking classes at the University of Cincinnati for the past 2 and a half years,

LEADERSHIP EXPERIENCES

- Being a Sources of Strength leader has helped me connect with peers in order to increase mental health awareness in my school
- Student council has given me an opportunity to represent my class fairly and has taught me how to work well with other leaders
- Working with children with autism has improved my patience and persistence

DECA EXPERIENCE

- Second year DECA student
- Qualified for Ohio CDC in 2023
- Competed at ICDC in Orlando in 2023
- Competed in a variety of events

GOALS FOR OHIO DECA

- Implement marketing programs directed toward business located near DECA chapters
- Increase student involvement by adding additional resources to improve performance during competition
- Implement programs to promote DECA at younger ages
